

EASY TO APPLY

There are three simple steps to obtain project funding under the TAA Program:

- Eligibility Certification
- Adjustment Proposal Development
- Project Implementation

The TAAC is ready to assist you at every step!

PROCEED AT YOUR OWN PACE

You may apply for assistance under the TAA program at any time of the year. If your firm is not immediately eligible, you can apply later if conditions change. Once approved for the TAA program, your firm can implement projects that improve your competitive position at a pace that works best for you.

GET EXPERT ASSISTANCE

Use TAAC (EDA) funds to hire consultants to provide expert assistance aimed at improving a firm's competitive position. These funds are applied toward the cost of consultants, engineers, designers or industry experts for improvement projects.
